Producers of Professional Projection Screens

Cascade G2 is a refined, above-ceiling retractable screen compatible with the best Stewart Filmscreen front and rear projection screen materials, including StudioTek 130 G4, Phantom HALR Plus, Firehawk G5, AeroView 100 and many more. ETL-approved Cascade G2 scales up to 205" diagonal in a 16:9 aspect ratio. Also, easy-to-access built-in mounting brackets and a case measured at under 7 inches make for an easier installation for all.
